Hull:	Fiberglass Reinforced
Deck:	Wood
Hull type:	V-Shaped
Number of Decks:	3

Accommodation

Guests:	6
Cabins:	1
Crew:	2
Crew rooms:	1

Complete Details

The Absolute Navetta 52 is a luxury yacht, a perfect combination of space, efficiency and refinement of detail, beneath the distinctive Italian exterior beats the heart of an exceptional coastal cruiser. The 52 was designed for the boater who wants to make extended coastwise passages in comfort and style taking advantage of space within its 16 metres in length.

The elegant bow sun pad on the main deck is perfect for those long sunny days. Incorporated on the flybridge helm are two lounges and to starboard are a large, U-shaped lounge and table. These are great spots to take in the view while underway. A wet bar with sink and fridge, as well as a second grill, make this area excellent for alfresco meals or social gatherings. After the end has more open space for the tender, which can also be bestowed on the swim platform.

Maximizing space is the goal below decks. The Master suite is complete with an en suite head, walk-in closet, desk with vanity and large hull side windows. A smaller double guest cabin lies starboard midships, while the VIP is in the bow and is especially roomy due to the clever side positioning of

its queen-size bed. The Absolute Navetta 52 is comfortable, cosy and spacious and also offers interesting performance.

Powered by two Volvo Penta IPS 650 (2 x 470 hp), the 52 reaches top speed of 25 knots using 90 litres of fuel per hour, but only needs under 3 litres per mile to cruise comfortably at 15 knots. This mini trawler has a skipper's cabin right next to the stern platform and therefore can be used for charter too.

Extras

- Tropical Air Conditioning
- Custom Refrigeration
- Battery charger
- Hot and cold transom shower
- International VHF
- Dishwasher
