## Yacht Description

Rugged and seductive, Ferretti Yachts 850 New dazzles you from the moment you set eyes upon it, thanks to its clean and dynamic profile featuring striking, clear-cut angles giving you a powerful and bold look.

With a hull measuring 26 meters and a construction length below 24 meters, the new flybridge can be registered as a pleasure craft. The two trapezoidal hull windows with integrated portholes make the most of the natural light and provide magnificent views from the inside.

The design of the main deck enhances the overall experience, thanks to a single full-height window which cuts through the entire superstructure, plus the large front and side dome at the raised helm station. Ferretti Group's Product Strategy Committee, Studio Zuccon International Project, and the Group's Engineering Department joined forces to design the yacht.

The yacht is equipped with a mechanism whereby the transom door swings open to provide a swimming platform, which becomes a beach area and can be lowered below the water surface, offering a large submersible platform for guests as well as a practical solution for the crew's tender moving operations. The yacht is a magnificent maxi loft surrounded by the sea. The use of perpendicular partitions, almost full-height glazed surfaces, light and pleated curtains, and freestanding furniture are typical elements of this ultra-contemporary metropolitan concept. In contrast with the geometry of the superstructure, the interior is dominated by flat surfaces and linear panelling, characterized by discreet minimalism and a soft, essential mood.

## Specification

### Overview

Name:	2020 Ferretti 850
Yacht type:	Motor Boats
Category type:	Luxury
Builder:	Ferretti
Model:	850
Built:	2/2020
Reference ID:	HL1595515424
Location:	Ft. Lauderdale (Boathouse), Florida
Used/New:	New yacht

### Dimension

Overall length:	26 meters
Beam:	6.2 meters
Draught:	2.2 meters

### Performance & Capacities:

Max speed:	35 kt
Cruising speed:	31 kt

### Engines

Engine Make:	T-MAN
Engine Model:	V12
Engine Type:	Inboard
Engine Quantity:	1
Total power:	3800 hp

### Construction & Design

Hull type:	Deep Vee
------------	----------

### Accommodation

Cabins:	4
---------	---
